Hi Rob,

I plan to meet with Kate Kelly later today and also have a message into Jamey Stoddard to discuss schedules. Although October is quite a ways away I'd like to coordinate available dates on everyone's calendar here in the Seattle office. You should hear back from Jamey on available times.

Hope all is going good. Feel free to give me a call if you have any concerns or questions.

To Jim Woods:

Dear Jim:

President Standifer asked me to follow-up with you to schedule a teleconference meeting with EPA for October of 2012. This would be an excellent opportunity to discuss and review the draft MOU, to receive updates on the proposed project and follow-up on existing requests.

Please propose possible meeting times in early October. Best wishes

Rob
